They could have danced all nite....

This Friday night is the scene of the Junior-Senior Prom. Unfortunately the theme is still a secret, but word has it that it's very unique. The Juniors have done much, much work, hustling and bustling in and out of the gym.

Here's a thought for the men. The dolls have agreed that no one should pay more than twelve dollars for the corsage.

And don't forget, those of you who plan to enter medical school, there is a quiz Saturday morning at 10:00, so play it cool.

Tuesday, May 14th, has been picked as A.R.A. field day. We understand that there will be, as in the past, a type of picnic lunch, games of all sorts (ranging from table tennis to a three legged race) and the whole thing will culminate in the float contest. Incidentally, for you people who have never participated in the festivities, dress rather casual. The affair is informal.

There will be classes in the morning (unfortunately), so a change of attire is advisable.
